SUMMARY

AIML fresher (B.E. Computer Science, 2025) with 5+ years of hands-on data validation, quality analysis and reporting on large AI/CV datasets. IIT Madras Research Park – GUVI Data Science certified. Skilled in Python, SQL/MySQL, Pandas, Scikit-learn, XGBoost, EDA and dashboards (Power BI, Plotly, Streamlit). Built regression-based stock trend analysis and ML classification models evaluated on precision, recall and F1. Open to relocating.

SKILLS

Python | MySQL | Pandas | Excel & Google Sheets (Reporting & Trackers) | Root-Cause Analysis | NumPy | LLM | Generative AI | RAG | SQL | Prompt Engineering | LangChain | FAISS | Semantic Search | HuggingFace | Open-Source LLMs | LLM API | DistilBERT | RoBERTa | Machine Learning | Deep Learning | NLP | Scikit-learn | XGBoost | PyTorch | TensorFlow | Model Evaluation (Precision/Recall/F1) | TF-IDF | Streamlit | SOP | Power BI | Plotly | Selenium | Documentation | Git/GitHub | Jupyter Notebook | Statistics & Probability | Hypothesis Testing | Process Improvement (Six Sigma Yellow Belt) | Business Presentations | Google Workspace | Follow-ups & Team Coordination

PROFESSIONAL EXPERIENCE

Junior Team Leader - Operations 02/2021 – 07/2026
MahendraNext Wealth IT India Pvt Ltd (Night Shift, concurrent with full-time education) Namakal,Tamil Nadu

- Performed root-cause analysis on low-confidence model predictions for a checkout-free retail system, identifying error patterns and reducing error propagation
- Validated and cross-verified large AI/CV datasets, improving data quality for production systems
- Prepared 20+ daily reports and 10 weekly/monthly reports on quality metrics, shared with stakeholders
- Prepared 4 business presentations for internal and external managers
- Coordinated with team members on follow-ups; drove 10-15% productivity improvement through process optimization (Six Sigma Yellow Belt)
- Delivered 2 CV POCs and 1 live production project

PROJECTS

Client Query Management System
Python, MySQL, Pandas, Streamlit, Plotly

- Built an IT helpdesk ticketing app with role-based login for Client and Support users
- Implemented SHA-256 password hashing, ticket creation with file upload, and Open/Close status tracking with close-date timestamps
- Delivered a support dashboard with Plotly charts for ticket status and issue-type analysis

Telecom AI Copilot (RAG-based Chatbot)
Python, RAG, LangChain, FAISS, HuggingFace, DistilBERT, RoBERTa, Groq (Llama 3.3 70B), Streamlit

- Built a RAG customer-support assistant (LangChain, FAISS, all-MiniLM-L6-v2) with Llama 3.3 70B via Groq, grounding replies in company policy documents
- Generated a 19,995-record synthetic dataset (5 intents, 3 sentiments); fine-tuned DistilBERT for intent classification (100% accuracy on a synthetic test set)
- Applied pre-trained RoBERTa for sentiment (74.4% accuracy, 0.73 F1) and built a Streamlit dashboard that routes each query by intent and sentiment before response generation

Data-Driven Stock Analysis Dashboard
Python, Pandas, PyYAML, SQL, Power BI, Streamlit

- Built an ETL-style pipeline converting month-wise Nifty 50 YAML stock data into structured CSV/SQL, one file per stock symbol
- Performed EDA with regression-based trend analysis on one year of data (volatility, cumulative returns, sector-wise returns, price correlation)
- Delivered an interactive Streamlit dashboard (top gainers/losers, monthly top 5, correlation heatmap) and a Power BI report

NutriClass: Food Classification Using Nutritional Data
Key Skills: Python, Scikit-learn, Machine Learning

- Performed data preprocessing and feature engineering on nutritional attributes to predict food categories across multiple classes.
- Compared 5 models on accuracy,precision,recall and F1-score; selected XGBoost as the best performer with 90% accuracy

EDUCATION

IIT-M Advanced Programming Professional & Master Data Science 07/2025 – 02/2026
GUVI, IIT Madras Research Park Chennai,Tamil Nadu

Bachelor in Computer Science Engineering 06/2022 – 05/2025
Annapoorana Engineering College Salem,Tamil Nadu

Diploma in mechanical engineering 06/2018 – 04/2020
Mahendra Polytechnic College Namakal,Tamil Nadu

HSC 06/2017 – 04/2018
Government Model Higher Secondary School Anthiyur, Tamil Nadu

CERTIFICATES

Six Sigma Yellow Belt – Next Wealth
Drove 10-15% productivity improvement through process optimization
